Cipher-X Service Terms and Conditions

Article 1 (Application of Terms and Conditions)

1. These Cipher-X Service Terms and Conditions (these "Terms and Conditions") are the basic service terms and conditions applicable to the basic service, "Cipher-X" (the "Service") which SAKURA internet Inc. (the "Company") provides.
2. A user shall comply with the Basic Terms and Conditions that the Company sets forth and these Terms and Conditions. The Basic Terms and Conditions together with these Terms and Conditions shall apply to the Service.

Article 2 (Conditions for Application and Conditions for Use)

1. Only a user who falls under any of the following items may apply for the Service. If the Company determines that an applicant does not fall under any of the following items, the Company may refuse to accept the application.
   (1) state organs, local governments, incorporated administrative agencies and local incorporated administrative agencies (including corporations which the Company acknowledges to be equivalent to them), and
   (2) a corporation that allows a person falling under the preceding item to use the Service as an end user.
2. Any person falling under Item 2 of the preceding paragraph (the "Person Falling Under Item 2") may not use the Service for the purpose of collecting information from a third party. The Person Falling Under Item 2 may only become a party to the use contract of the Service only for the purpose of having a person falling under Item 1 of the preceding paragraph (the "Person Falling Under Item 1") use the Service as an end user.

Article 3 (Content of the Service)

1. The Service consists of the content of the following items.

(1) Form
Provision of a web form for users to collect information from a third party (refers to a web form that allows users to enter and send information on a webpage; the "Form"),

(2) Encryption of Information and Storage of Encryption Key
Encryption of information (including, but not limited to, personal information; the "Data") sent by using the Form, and management of encryption key required to decrypt the encrypted information; and

(3) Deletion of Encryption Key and Issuance of Deletion Certificate
Deletion of an encryption key after termination of use of the Form, and issuance of a

certificate proving deletion of the encryption key (the "Deletion Certificate").

2. The Company shall conduct encryption of the Data and storage of an encryption key set forth in Item 2 of the preceding paragraph and deletion of the encryption key set forth in Item 3 of the preceding paragraph among the Service by "Cipher Security Service" which Canon IT Solutions Inc. (the "Alliance Partner") provides.
3. The Deletion Certificate set forth in Paragraph 1, Item 3 is what the Company requests the Association of Data Erase Certification (the "Certificate Body") to issue, and the Certificate Body issues.

Article 4 (Use of the Form)

1. A user shall use an individual form for each purpose of collecting information from a third party through the Form (purpose of collecting information from a third party includes, but not limed to, collecting responses to a survey, reception and the like of application to participate in an event). An applicant shall apply for a use contract for each form, and one (1) use contract shall be deemed to be formed for use of one (1) form.
2. A management screen shall be assigned to each form, and the user may start and end collection of information through the Form, as well as view and aggregate the Data on the management screen (collectively, the "Use of the Form").
3. The user shall delete the form from the management screen when the user ends using a form in use. After the user deletes a form, the user may not view the Data or use the form in any way.

Article 5 (Deletion of Encryption Keys and Issuance of Deletion Certificate)

1. If a user deletes the Form, the Company shall delete the encryption key and request the Certificate Body to issue the Deletion Certificate. The Company shall send the Deletion Certificate to the user upon receipt of the Deletion Certificate from the Certificate Body.

Article 6 (Use Start Date)

1. The Company shall start providing the Service from the day on which the use contract for the Service is validly formed pursuant to the provisions of conclusion of the Use Contract in the Basic Terms and Conditions as the use start date.

Article 7 (Minimum Use Period)

1. Notwithstanding the provisions of minimum use period in the Basic Terms and Conditions, no minimum use period shall apply to the Service.

1. In addition to the prohibited matters set forth in the Basic Terms and Conditions, the user shall not conduct an act which falls under, or may fall under, any of the following items.

(1) the Person Falling Under Item 1 uses the Service for purposes other than its own business operation, and the Person Falling Under Item 2 uses the Service for the purpose of collecting information from a third party, and an act of having a person other than the Person Falling Under Item 1 use the Service;

(2) an act of collecting identification code set forth in Article 2, Paragraph 2 of the Act on the Protection of Personal Information and personal information requiring special care set forth in Paragraph 3 of the said Article, and information on joining labor union, family background, place of origin, health and medical care, sex life and bank account information (including information which the Company determines to be similar to these);

(3) an act to falsify or delete information, content, data, databases, software or the like owned by the Alliance Partner or a third party that is able to access or obtain by using the Service; and

（4） any other act that the Company or the Alliance Partner determines inappropriate.

Article 13 (Non-Warranty, Disclaimers)

1. With respect to provision of the Service, the Company shall not give, whether expressed or implied, any warranty (including, but not limited to, warranty for fitness for a particular purpose, effectiveness of function and effect, service quality, security against threat, merchantability, completeness, accuracy, non-infringement of third party's rights and steady provision of the Company's service and the like; the same shall apply in this Article).
2. The Deletion Certificate is issued based on the certification standard which the Certificate

Body sets forth, and the Company shall make no warranty with respect to the Deletion Certificate and shall not assume any liability for any damage incurred by the user in connection with use of the Deletion Certificate.

Article 14 (Suspension of Provision)

1. The Company may suspend provision of the Service in whole or in part due to maintenance, works, relocation of facilities and the like pertaining to the service or certification provided by the Alliance Partner or the Certificate Body (collectively the "Alliance Partner or the like") or other reasons of the Alliance Partner or the like, and the user shall agree to this in advance.
2. If the Company becomes aware that the provision of the Service will be suspended pursuant to the preceding paragraph, the Company shall make efforts to notify the user to that effect but shall not assume any liability for the suspension of provision, or delay in the notification.

Article 15 (Change of the Service Content or Discontinuation of Provision of the Service)

1. The Company may change or discontinue the content of the Service due to dissolution of the Alliance Partner or the like, or change or discontinuation and the like of the service or authentication by the Alliance Partner or the like. The Company shall make efforts to notify the user of these without delay but shall not assume any liability for the change or discontinuation, or delay in the notification.

Article 16 (Disputes with Third Party)

1. With respect to a dispute between a third party (including, but not limited to, the Alliance Partner or the like) and a user arising out of use of the Service by the user, the Company shall not assume any liability and the user shall resolve the dispute on its own responsibility and at its own expense.
